started a climb which at the last minute of trading carried it to 290, the early trading, going up 2 points to 74%. Railway Steel Springs, Meximore last night's closing and 18 points can Petroleum, American Locomotive, W. St. P. S. S. M. Tonnessee Couper and Allis-Chaimers Crucible Steel showed strength in Tennessee Copper and Allis-Chalmers Tennessee Copper and Allis-Chaimers Nat. all made gains of from 1 to 2 points. Nat. The most optimistic views concern-

The most optimistic views concerning United States Steel are held in Wall Street, it being figured now that the corporation will show earnings in the last half of 1915 in excess of \$80,000,000. This would mean a surplus in that period, after the payment of all charges and deferred dividends, of more than \$40,000,000.

Bo far as Bethlehem is concerned, well informed interests which have been buying even at the present high south failing.

been buying even at the present high level predict that the stock will go to \$400 or \$500 a share before the close of the year.

The total sales for the day amounted to 671,041 shares, against 717,537 yesterday.

ITEMS FOR INVESTORS. United States exports for week ended July 31, \$54,234,569; imports, \$30,258,698. Standard Oli Company of California

declared regular quarterly dividend of \$2.50 per share, payable Sept. 15. American Smelting and Refining Company-Regular quarterly dividends of 1 per cent. on common stock and 13-4 per cent. on preferred; preferred divi-dend payable Sept. 1 to stock of record Aug. 13; common payable Sept. 15 to stock of record Aug. 27.

Submarine Boat Company of New York City has been incorporated to manufacture ammunition and submarines. Capital consists of 800,000 shares without par value. However, under laws of New York it is required that a corporation must have at least 55 in assets behind each share of stock.

An official of the American Car and Foundry Company denied the rumor that the company had closed contract for about \$35,000,000 and stated that the only war order received was for 4,100 cars for Russia.

Utah Copper Co. for quarter ended June 30 shows surplus of \$2,787,809, an increase of \$1,179,415.

Total idle cars on Pennsylvania lines East July 15 was 21,848, compared with 25,325 Jan. 4, 1915, and 19,196 Sept. 17, 1916.

Paris Women Are Wearing

These Hats Now

LMOST our entire Millinery Department is now given over to a showing of the new Fall styles in velvet, plush and satin hats. Copies of the best trimmed and untrimmed shapes that the Paris milliners have brought out, and that

are being worn abroad by women who keep up with the modes of the day, are here in absolutely correct materials and colors.

are here in a wide variety of ultra-smart models, including: Tricornes, Sailors and Pokes in black, purple, navy, gray and negre brown.

We are also ready to submit to your inspection about 300 Charming New Trimmed Hats, fashioned by skilled milliners after the latest Paris ideas.

There is, perhaps, no more interesting and comprehensive

showing of the new millinery styles anywhere else in New York.
